## CM Pool Motion Sheet #4

Amending Mayor Adler, April 13 document

Motion: Amend language in Question 3 to request staff make recommendations on Transition, or Missing Middle Zones

### **Question 4. Compatibility Standards. (p.3-4)**

*Include language in Paragraph 3 (numbered below to reflect adoption of staff's amended language) as follows:*

3.a.iii. "Council directs the City Manager to provide detailed options for the density proposed and the depth of Missing Middle zones for areas behind activity corridors and within activity centers, depending on the context of the corridor and the neighborhoods adjacent."
